ACTIVITIES

National Polytechnic University of Armenia

At NPUA I took part in an IT ideas competition organized by "Ucom", where the "GGT Team" took third place under my leadership.

EPAM Systems (Armenia)

(Java Internship)
Git/GitHub, SQL, Data Networking, JAVA Core, Design Patterns, Agile Methodologies.

At EPAM Armenia I've learned to build simple web pages, using web technologies such as HTML5, CSS3, FlexBox, JS. I started learning Java Core in detail by reading books such as "SCJP with Java 6" and "OCA Java SE 8 Programmer", doing homework using VCS tools(pull requests, branching strategy, resolving merge conflicts, etc.).I've gained basic knowledge of Networking and Agile Methodologies, and I also learned to work with relational databases using MS SQL Server.
